

# Department of Political Science

## Department History-

The Department of Political Science was established in the year 2003, under the Faculty of mental, moral and social science. The Department has the capacity to explore new programs. The Department arranged the Expert lectures to enhance an overall knowledge of the students. The department conducts extracurricular activities for the students Group discussions for U.G students to improve their subject knowledge and personality development. We have created awareness about the social equality, national pride and inculcate human values for understanding and interpreting of National Voter day, Constitution day, to the students. The faculty of Department is actively involved in curriculum designing, and participates in University / State / National / International levels Seminars, Workshops and Conferences

## Objectives-

The primary objective of the Department of Political Science is to inculcate the basic concept of “Morality” among the students so that they can become a good and responsible citizen in future.

- To demonstrate an understanding of the concepts and principles of political science in the structures, institutions, and processes of the India and other nations
- To provide students both a survey of political institutions and processes within governments and societies and a set of analytical skills to promote employment and quality of life
- To broaden their understanding of cultural diversity
- To prepare students to become informed dynamic citizen
