

Now a days it is very difficult to create awareness among students and society about burning issues of international, national and local levels such as awareness about degradation of environment, pollution, social issues, awareness about health and hygiene etc. It is also hard to create consciousness regarding population growth, problems in rural area like degradation of land, land pollution etc. Institutional Social Responsibility is one of the responsibilities of any Institution. Higher Education Institution (HEI) can get these opportunities to do work for society on various problems. Institution should take initiatives and use optimum resources to minimize the problems.

Our college is also one of the colleges in rural area. Rural areas' problems are different than urban area. Problems are related to society, agriculture, environment etc. College is surrounded by sugar factory, gram panchayat of villages, government institution like health center, high schools etc. As per the observation of surrounding area, college has decided to concentrate on social problems and issues. Shri Chhatrapati Cooperative Sugar Industry Ltd. Bhawaninagar is located near the college. So surrounding experiences problems like pollution of water, land, air. Also, sugarcane cutters stay near the college six to eight months during the year. They have faced many problems regarding accommodation, education, hygiene, health, diseases etc. Students of colleges share their problems related to agriculture, health and social issues.

College has taken initiative and planned some activities for the society. Students and teachers were meet them and discussed on problems which are faced by sugarcane cutters. College organized rallies on AIDS awareness and Environment. College also provided clothes to children, educational stationary, warmer clothes in winter season. Sometimes whenever possible, college provided economic help to them.

Our College has also signed MOU with Rev. Haribhau Waghmode Patil Pratishthan, Balvikas Kendra Bori. At the first visit college taken small program of tree plantation at Children Development Center. In next program members of Sanstha and teachers visited and distributed fruits among children. College also provided some educational stationary.

College has also assigned MoU with nearby by villages *Sapkalwadi*, *Sansar* and *Jachakwasti*. College run various activities in these villages like rallies on AIDS awareness, Environment awareness, Health issues, *Swachhata Pakhwada*, *Swachh Bharat Abhiyan*, conducted surveys in Covid-19 pandemic, tree plantation etc.

To imbibe spiritual values, students are participated in Tukaram Maharaj Walkathon (People who have various religion background walking from Pune to Pandharpur with remembering name of God 'Vitthala') every year where students are performed street play on various burning issues such as disadvantages of mobiles, Save Girl Child etc. Cultural programs like Youth festival, Traditional Day, Street Play are organized for exposure to India's diverse cultural heritage.
